

Visiting Student Summer Housing Application

ROOMS, ROOMMATES AND SINGLES: Room assignments notifications will be dispersed the week of April 26, 2021 after the application deadline of April 9, 2021. Because of the short timeframe, the Residence Life Office will make summer assignments.

HOUSING AGREEMENT AND HANDBOOK: Students are responsible for reading all information in the summer housing agreement prior to signing it. Students in summer housing must follow all policies outlined in the student handbook located on-line. <http://handbook.rhodes.edu/student-handbook>

HOUSING CHARGES: All summer housing charges will be posted on accounts by June 1, 2021. When a student checks out of a room, all belongings must be removed, and the fob and key returned to the Residence Life Office. Any items left behind will be discarded at the owner's expense. Residents will be housed in Parkway Hall and Bellingrath Hall. Students assigned to Parkway Hall will be charged **\$155** per week (double occupancy rooms), **\$185** per week (single occupancy rooms), or **\$250** per week (studio apartments will be single occupancy spaces). Students assigned to Bellingrath Hall will be charged **\$130.00** (single rooms only) for each week they reside on campus. **Housing costs will not be pro-rated.** If you reside in or have belongings in college housing for any portion of a week (Sunday-Saturday) you will be billed for that week of summer housing.

STORAGE: According to the College's storage policy, a student may not use a college residence to store another student's belongings. If you store a piece of furniture in your apartment/room for another student you then become responsible for those items.
